## THE MAMMA MIA

It's a little known fact: every young pizza grows up wanting to be a big and juicy cheeseburger. Unfortunately, few ever make it to the big leagues. The Mamma Mia is the proud exception. This cheeseburger features all the toppings you'd find sitting on a slice of za, with the happy addition of a beef patty.

**THE TOPPINGS & FIXINGS:** Wisconsin Mozzarella Cheese, Beef Patty, Pepperoni, Sautéed Button Mushrooms, Pizza Sauce, and Sautéed Onions on a Crusty Italian Loaf.

## WISCONSIN MOZZARELLA

What's tasty and weighs 850 million pounds? All the Mozzarella cheese produced by Wisconsin cheesemakers in a given year. An Italian favorite, this cheese gained popularity in America following World War II as vets returned home with a craving for the pizzas they ate while overseas.

**THE FLAVOR:** Mild, delicate, and milky.

**THE PAIRINGS:** If you love Mozzarella, you'll love it even more with a glass of Beaujolais, chardonnay, or a pilsner beer.
