

PROUDLY HONORING

WISCONSIN CHEESE

---

## THE HAVANA

The Havana is the first cousin to the well-known Cubano sandwich. Inseparable from childhood to adulthood, the two drifted apart when The Havana gained international notoriety as one of the Cheese & Burger Society's top thirty cheeseburgers. To this very day, the two remain estranged.

**THE TOPPINGS & FIXINGS:** Wisconsin Swiss Cheese, Beef Patty, Ham, Roasted Pork Shoulder, Pickles, and Yellow Mustard on Pressed French Bread.

---

## WISCONSIN SWISS

No, the moon is not made out of Swiss cheese. However, its surface does bear a striking resemblance to that of this crater-filled, ivory-white cheese. The tradition of making Swiss cheese in 200-pound wheels began in the Middle Ages when cheesemakers were taxed on the number of pieces they produced rather than total weight.

**THE FLAVOR:** Mellow, buttery, and nutty.

**THE PAIRINGS:** When it comes to beverages, Swiss is anything but neutral. It plays nice with Riesling, cabernet sauvignon, merlot, and weiss beers.
